Dear Liliana Gonzalez:

Thank you for starting your application for precollege programming at the University of Wisconsin-Madison. This is a confirmation that your Information Technology Academy application has been started but is not yet submitted.

To access your in-progress application, go to <https://elos-dev2.fa.us2.oraclecloud.com:443/fscmUI/learning/index.html?root=programDetails&program=300000002067119> and click 'Sign In' at the top of the page. Once signed in, click the 'Apply' button to access and resume your application.

If you have any questions throughout the application process, please contact us!

Sincerely,

Ronald Jetty, Ph.D.
Executive Director

Information Technology Academy

5. You will then be prompted to set your password.

Sign In
Oracle Applications Cloud

Reset Password

.....

.....|

Submit

6. You will then be returned to the system main page where you will click 'Sign In' this time.

WISCONSIN

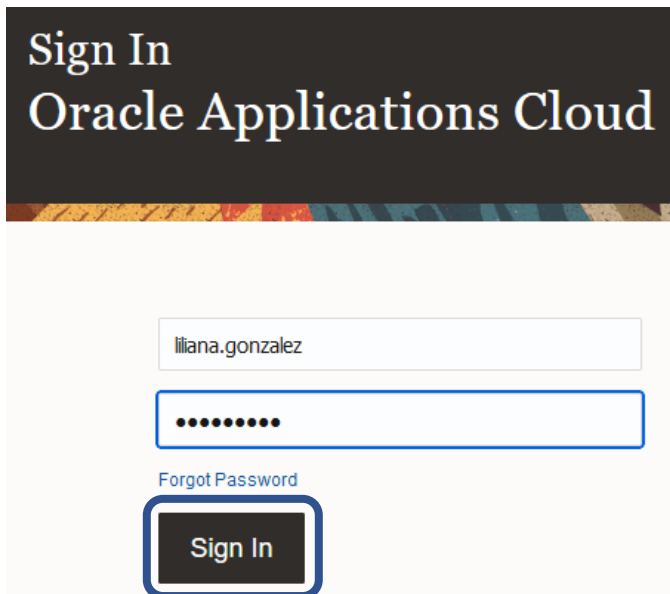

Sign Up Sign In

What would you like to learn?

Search courses and programs

Browse Catalog

7. Enter the newly created username and password and click 'Sign In'.

8. Now signed in, click the ITA program tile.

9. Then click the 'Apply' button to begin the ITA application. (Refer to the ITA Application Walkthrough for a detailed tutorial through the application.)
